

DONATIONS FOR ZRCLC DURING COVID-19 & MCO

There is no question that the Covid-19 pandemic and Movement Control Order (MCO) by the Malaysian government has negatively impacted the lives of our 66 children and their families.

The vast majority of the families of our children are daily waged. Hence many of them are currently relying on their limited savings (if any) and the support of fellow community members (where possible) to help them get by with their day to day living.

During this difficult period, we welcome donation of food items of any quantity.

For the security of everyone we request that no cash is donated. We would appreciate if items are purchased in advanced and delivered to the home our head teacher who will then disperse them to the families of our children. Also, in the spirit of transparency, we kindly ask donors to allow us to publish their generosity on our site.

For more details, please contact **Cecilia at +6011 2100 2040.**

Thank you & God Bless

From all of us at ZRCLC

GOING DIGITAL

ZRCLC 2.0

With the current COVID restrictions, **our learning centre is only open full time for our pre-schoolers (3-6 years old)**. As of 7 February 2021, we have been advised by UNHCR, that it is still unclear as to when in-person classes for our older children can resume.

Hence to ensure that the rest of **our children continue to be fully engaged**, we have embarked on our [online program for our children](#)

Introducing ZRCLC 2.0

Since September 2020 we have introduced video conferencing to supplement our teaching.

Our small online classes will allow for more focus and attention for each child. It will also allow us to cast a wider net for volunteers who can be anyone from around world!

Education Sets needed

Based on our past experience of requesting for used devices, we have decided that it be **best that we purchase new entry level laptops/tablets** to run the program

The **estimated cost of each Education Set** (tablet + headset & software) is **approximately RM800 (SGD \$270)**. *Currently we still need another 8 sets for the remaining of our students*

If you would like to contribute towards the purchase of a set please **CLICK THE BUTTON below to pledge your help**

INTERESTED IN BEING AN ONLINE VOLUNTEER?

If you have some free time in the comfort of your home to help teach our children online, we would love to hear from you.

How does this work?

You will be assigned 1 student between the ages of 8-15 years, whom you will interact via video conferencing for about **45 mins, once a week**

You will journey with your assigned student and help them improve their English communications skills guided by a simple syllabus that will be provided to you. You may choose anytime, Mon-Fri between 10am - 3pm (M'sia Time) Ideally you are able commit 10 sessions at a time.

If you would like volunteer your free time, please
