

Hi, I'm Uncle Toh!

Hi, I'm Aunty Sally!

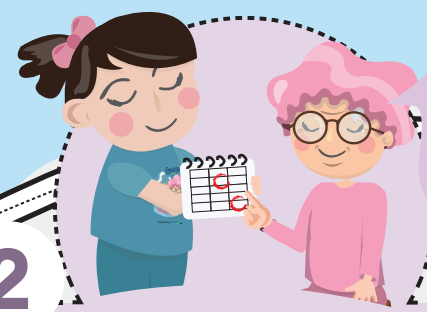

Let us share with you about GoodLife! HomeBathing!

We have booked the bathing service. The service will be carried out right in our home, it is so convenient for us.

Initial Assessment

The team will be on-site to assess the senior's physical conditions and the suitability of home environment for bathing service.

Let me check your physical conditions to serve you better.

Warm water makes me relax!

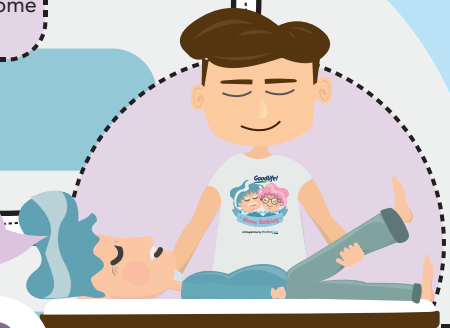

4

Actual Bathing

Throughout the entire bathing process the senior will be covered to uphold his/her dignity, there will be constant communication with the senior to walk through the bathing steps along with reassurance.

Bathing Service will take about 2.5-hours.

3

Pre-Bathing (Physical assessment)

On the day of bathing, vital signs (blood pressure, heart rate, respiration rate, oxygen saturation and body temperature) are checked to ensure the senior's suitability.

Hope you enjoyed the bath! I will now check your physical conditions again and do a debrief with you and your family.

5

Post Bathing (Physical assessment)

Vital signs are checked again to ensure the senior is fine. The next bathing appointment will be scheduled with the senior and/or the family.

Clean and germs-free!

6

Cleaning of equipment

To ensure good hygiene standards for serving every senior, the team will thoroughly and systematically disinfect all bathing equipment before leaving the senior's home.
