The Society of St Vincent de Paul (SSVP), a lay Catholic mission, was introduced in Singapore in 1883. Subsequently, SSVP (National Council of Singapore) was established as a registered charity in 1961. Our members, known as Vincentians, befriend and journey with the poor and marginalised whom we call our Friends-In-Need (FIN) — regardless of their race, nationality and religion — bringing them hope to lead resilient and dignified lives.

ABOUT SSVP LTD.

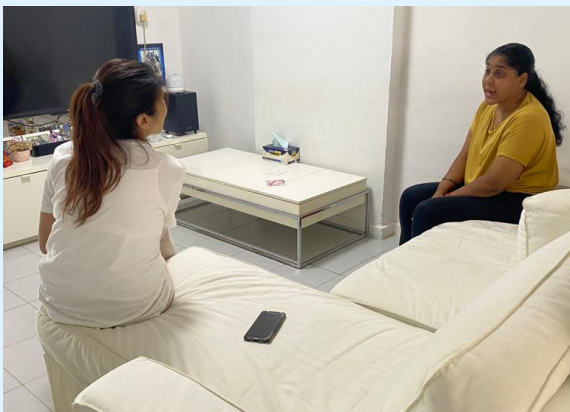

SSVP Ltd. is an affiliate of the Society of St Vincent de Paul (National Council of Singapore) (which is also a registered charity since 1961).

A registered charity and an Institution of a Public Character (IPC), funds raised by SSVP Ltd. will be used to cover operational costs and expenses of select centrally operated nationwide programmes and services including the Community Services Office (CSO) and Milk & Diapers (MaD) Programme as well as new Social & Development Programmes that will be implemented in future to better address the complex needs of our Friends-In-Need (FINs).

The CSO has social work practitioners who assist FINs with more complex issues and play an essential role in helping them to stand on their own feet again to lead resilient and dignified lives. The MaD Programme provides nutrition for babies during their crucial development from birth to three years old as well as diapers.

We serve the low-income and disadvantaged in Singapore, regardless of their creed, ethnicity, or gender.

“
I found family love in SSVP. Ms Meera and Ms Justine, they showed me love. Kids don't lie and they hug them when they visit. Their encouragement keeps me going, it's all positive vibes.
-Ms Sue, a single mother of two, who is also foster mother to her seven-year old nephew, on the assistance provided by SSVP NCS and Ms Meera, Community Services Manager.
”

“
I don't believe in asking for help unless I really need it. I want Angel to know what is family, having a good education, what is good for her to have a good life. - Financially stressed, Ms H was spending half her income on milk and diapers for her two-year old niece whom she fosters and her 76-year old mother who has dementia, before being adopted by MaD.
”

BE AN **SSVP** MEMBER/VOLUNTEER

SSVP is committed to serving the poorest of the poor and providing support and care to those most in need in our communities.

We cannot continue our volunteer-driven work without the kind and generous support of our many well-meaning, noble hearts out there. We appeal to each and every one of you, our fellow men and women, to join us in carrying out our mission – and to serve in hope.

BE PART OF SSVP

The Vincentian Vocation

The vocation of the Society's members, who are called Vincentians, is to follow Christ through service to those in need and so bear witness to His compassionate and liberating love. Members show their commitment through person-to-person contact. Vincentians respect the dignity of our FINs while we serve in hope.

Be an SSVP Member or Volunteer

You do not need to be a Catholic or a Singaporean to become a member. If you cannot commit your time as a full member, you can opt to share your time as a volunteer. As part of your local Conference team, you and a more experienced member will visit individuals and families to offer assistance and friendship.

Volunteers can also help with programmes like the Milk & Diapers programme; projects initiated by the conferences like rations giving to rental blocks, tuition and mentoring programmes or volunteer their time at the SSVP Shop.

Be Part of SSVP Youths

Young leaders of the group help youths to understand and experience SSVP's spirit of charity and love for the poor. Keen to join this wing in giving your share of your time to the poor and needy?

Get in touch with any one of our youth leaders:

Anselm Vincent (email: anselm_2@hotmail.com), Rebecca David (email: bexiedavid@gmail.com), Adonara Mucek (email: adonaram@gmail.com).

For more information to be part of the SSVP family, please contact us at 6801 7480 or email enquiry@ssvpsingapore.org.

BE AN SSVP PARTNER

Do you have a project in mind? Tell us about it! It could involve raising funds through a specific project, with the proceeds going towards SSVP's charitable programmes or in implementing joint outreach activities for our FINs.

We welcome collaborations with corporations, community organisations, social groups, families and individuals. Let your ideas change the lives of the poor and vulnerable.

THANK YOU SSVP CHANGE MAKERS
