

SOCIETY OF ST. VINCENT DE PAUL SINGAPORE (SSVP)

WHO ARE WE ?

The Society of St. Vincent de Paul (SSVP), a lay Catholic mission, was introduced to Singapore in 1883. Subsequently, SSVP (National Council of Singapore) was established as a registered charity in 1961. Our members, known as Vincentians, befriend and journey with the poor and marginalised whom we call our Friends-In-Need (FIN) — regardless of their race, nationality and religion — bringing them hope to lead resilient and dignified lives.

SSVP has evolved over the years to its contemporary presence with 31 Outreach Centres including SSVP Conferences located in 29 Catholic Churches as well as at SSVP House and Agape Village.

OUR VISION

That the poor and marginalised whom we serve become self-reliant and lead fulfilling and dignified lives.

OUR MISSION

To serve and journey with the poor and marginalised, regardless of their race, nationality and religion, bringing them hope for a better life and a better future.

VINCENTIAN WAY OF LIFE IS CENTRED ON FOUR PRINCIPLES

Fellowship

Journey as a community towards a wholesome Christian life and working together for a common purpose.

Transforming Lives

Involve more parishioners in building a missionary church through SSVP work.

Ministry

Reach out and provide holistic assistance to the poor and marginalised; to serve our FINs with respect to their dignity.

Spirituality

A service as a way of acting on one's faith and responding to God's call to love God and one's neighbour.

HOW DID WE BEGIN?

In Singapore, a Conference was set up at the Church of the Good Shepherd in 1883. After World War II, the late Monsignor H. Berthold established the Singapore chapter of SSVP with the late Messrs. Joseph Ee Peng Liang and Michael Tan Meng Chew on 8 December 1951 with Monsignor Berthold as the first Spiritual Director.
