

Couples for Christ (CFC)

Couples for Christ (CFC) is a Catholic movement intended for the renewal and strengthening of Christian family life. CFC couples have committed themselves to the Lord and to one another so that they may grow in maturity as men and women of God and fulfill their primary vocation of raising families grounded in Christian values, in the service and love of God.

CFC wants to rise in defense of the family, which is God's work. CFC wants to bring God's strength and light to those who are struggling to be truly Christian families in the modern world.

WHO CAN BECOME MEMBERS OF CFC? Any validly married Catholic couple can become members of CFC. Although a Catholic movement/organization, CFC remains open to having non-Catholic Christians as members. CFC draws its membership from all sectors of society, young and old, rich and poor, etc. CFC transcends all cultural, economic, educational, social and other distinctions.

Kids for Christ (KFC)

CFC Kids for Christ aims to serve children **from ages four (4) to twelve (12)**. The ministry is committed to mold young Christ-like leaders. The ministry has four evangelization programs: Kids Evangelization, Family Enrichment, World Changers, and Leadership Formation for Kids. It also has a support program for CFC members (for Couple Coordinators, YFC ROCK Facilitators, Parents) serving the ministry called Mission Support Program. Standing firm in our faith allows us to experience the joy that comes from Jesus.

In the CFC Kids for Christ Vision Statement, and as one family in Christ, we are therefore called to become missionaries by **SHARING CHRIST'S JOY TO THE FAMILY AND THE WORLD.**

Youth for Christ (YFC)

CFC Youth for Christ aims to provide a Christian support environment for young teenagers **between 13 to 18 years of age**. The program is oriented towards meeting the needs of our young people to belong, to be motivated, to be useful, to be good examples, and to be Christian witnesses. It has put a premium on four characteristics: fun, friendship, faith, and free; but responsible expression.

YFC's future is directed towards giving the youth a worthwhile cause to support as we seek to address, in our small way, the plight of the poor and the less privileged and the social and environmental issues that trample on the youth's human dignity: abortion, drugs, fraternity violence, sexual immorality, corruption, and even the rape of our natural resources.

Entry point to the CFC Youth for Christ program is through a Youth camp.

Pastoral formation is being given to the youth after the camp through household meetings, assemblies, teachings and trainings, international conferences, youth forums, and other interesting and dynamic activities dedicated to the holistic development of the youth.

Singles for Christ (SFC)

CFC Singles for Christ (SFC) aims to cater to the needs of single men and women **from 21 to 40 years of age**. “Single” refers to anyone within the said age group who is free from any legal impediments to marriage. The pastoral care offered by the ministry, is not limited to those who are called for marriage, but includes as well those who may be considering either single blessedness or religious vocation as a state of life. It initially aimed to provide a Christian support environment for single men and women. However, SFC has taken a more pro-active stance in providing that environment by ensuring that it brings Christ to wherever the singles are – in the corporate setting, in campuses, in government institutions, even in prison and in developing communities. SFC also intends to be relevant in the various realities of a single person in the aspects of Leadership, Lifestyle, Livelihood, and Lovelife
