

It Takes A Village...

For years, Infant Jesus Homes and Children's Centres (IJHCC) has been reaching out and touching the lives of children and youth, especially those from disadvantaged families.

We know that sometimes an extra helping hand is needed:

- maybe a safe, comfortable, and conducive space is needed for schoolwork
- maybe someone is required to explain what's being taught in school at a slower pace or to recap the past week's lessons
- maybe your children would benefit from programmes and activities that encourage them to be the best that they can be

This is where IJHCC's *It Takes A Village* programme comes in – because it **does** take a village (or kampung!) to raise a good citizen!

Infant Jesus Homes
and Children's Centres

What Is It?

Every **Saturday**, we welcome children and youth who live around our kampung to come to IJ Galilee and spend their time **meaningfully** with our line-up of programmes and activities:

- speech and drama classes
- academic mentoring/ community tuition
- homework supervision
- and more!

Speech and Drama

We conduct **fun** and **engaging** English and Mandarin speech and drama classes to help children improve their communication skills, build self-confidence, think critically, develop empathy, and spur creativity.

Academic Mentoring

We help children better understand what they learn in school by providing **small-group** and **individual** guidance to suit different levels and abilities.

Homework Supervision

We **encourage** and **guide** children in completing their schoolwork and check that their assignments are ready for their teachers.

When
Every Saturday,
9am - 12pm
