## Faith and Light Community

A celebration of Friends, families and  
Special People

Faith and Light, communities made up of persons with an intellectual disability, their families and friends, particularly young friends, who meet together on a regular basis in a Christian spirit, to share friendship, pray together, fiesta and celebrate life.

### Communities that meet, centred around the person with an intellectual disability

"Faith and Light is founded on the belief that each person with an intellectual disability is fully a person with all the rights of a human being : above all the right to be loved, recognized and respected for himself or herself and in the choices he/she makes. Faith and Light believes that every person, able-bodied or disabled, is equally loved by God and that Jesus lives in them." (Charter II, 1)
